LEADER'S DYNAMIC PERSPECTIVE

Chris K. Wilmot
President and Chief Executive Officer

In the twenty-first century, using Information Technology and leveraging relationships are key in shaping business solutions. At WCW, we bring you solutions in Energy, Telecommunications, Business Development, and Facilities & Maintenance Operations.

We make a difference in the global marketplace with our unique services and core values:

- **Integrity**
- **Excellence**
- **Teamwork**
- **Creativity**
- **Responsibility**
and **Faith in God.**

Wherever there is a challenge, WCW is ready with the best solutions.

EXCELLENCE

Excellence is the result of caring more than others think is wise, risking more than others think is safe, dreaming more than others think is practical and expecting more than others think is possible.

VISION FOR IMPACT AND CHANGE

WCW International, Inc., established in Houston, Texas in 1991, is an Engineering, Telecommunications, Consulting and Advisory Services Company. Our expertise and technology position us to serve clients with the highest quality solutions. We strive to:
